Safety is RCTC's highest priority, so please:

- Slow down and watch for workers and heavy equipment
- Allow extra time to get to work, school or appointments
- Tell friends or customers about construction activity
- Be extra careful when driving at night and in rainy weather
- Avoid mobile phone use or other distractions when driving through this area
- Watch for lane and ramp closures, use alternate routes and follow detours
- Obey the "Move Over" Law, which requires you to move to lanes away from any construction work, when it's safe to do so
- Remember that this is a short-term inconvenience for long-term mobility benefits
